

Sponsor Product Presentation Program

As in years past, there will be NO Critical Incident Debriefs presented during the 2017 Vendor Showcase. I have decided that this takes too much time away from you, our benefactor... As an alternative to these break away sessions, I have decided to make you the entertainment. As a new addition to this year's Vendor Showcase, we will be offering a presentation stage for you to showcase your newest and hottest items to all of those in attendance. These brief presentation sessions will be scheduled every 20 minutes throughout the day (dependent on participation) and will be accompanied by a predetermined raffle item that you will provide at the end of your exhibition. Each presentation should last no longer than 5 minutes.

As an additional incentive, I have decided to build this option into your Vendor and Sponsorship payment obligation; offering you more bang for your buck. Listed below are the program opportunity allowances and payment totals.
