

Michigan Tactical Officers Association

The Michigan Tactical Officers Association will be hosting their 2021 Annual Training Conference on **Tuesday October 5, Wednesday October 6 and Thursday October 8, 2021**. The conference will kick off with the Vendor Show on Tuesday at the Genesys Banquet and Conference Center, Grand Blanc, MI. 48439.

The MTOA Vendor Show is an opportunity for our members to view the latest in law enforcement equipment. This Show will be presented Tuesday, October 5, 2021. There will be NO Critical Incident Debriefs presented during the Show in a continued effort to give the Vendor Show as much attention as possible. Tactical briefings will still be conducted, to bring in participants but, will be presented prior to or after the Show. Again, the vendor show will be open to all police, EMS and military personnel with proper ID, not just those registered for the practical portion of the ATC.

You are a valuable member of our team and we hope that you can attend with a display of your products. Please complete this form and return it to the MTOA as soon as possible. Display tables will be available at \$400.00 each. **Corporate Sponsorships are also available. Please see the attached fliers for all the extended benefits of these additional opportunities, incl. your chance to Showcase your product with our new Product Presentation Program.**

Each year the MTOA conducts a raffle, in which items are raffled off as door prizes. A donation of equipment or other special offer by your company is encouraged, and very much appreciated. Those companies willing to donate to the raffle will be given special recognition throughout the conference.

As an Executive Board, we've once again decided not to hold our Live Fire Product Demo Event Tuesday evening. Instead, following the Vendor Showcase, a valued member of the law enforcement community will be sharing their experiences regarding a major critical incident. Following the vendor showcase, we will be hosting our annual Vendor and Member Appreciation Dinner. This is an additional opportunity allowing for all those in attendance to further "network" with members of your team. Please support us by sticking around and attending this event.

We look forward to seeing you at this year's conference. Should you have any questions please contact the MTOA's Event Coordinator, Steve Kramer at: (810) 602-2079 or via email at steven.kramer@mtoa.org
